OFFICE OF THE ~~SECRETARY TO THE~~ I/C ~~DIRECTOR OF PUBLIC INSTRUCTION, EDUCATIONAL DEPARTMENT~~
Mysore, ~~Bangalore,~~ 27th August 1896

From

H J BHABHA, Esq.,
INSP-~~Secretary to the Govt of Mysore,~~
~~Education~~ Department

To

The Secretary to the Government of Mysore
General and Revenue Departments,
Bangalore

~~SIR,~~

Sir,

I have the honour to inform you that the present building of the Anglo-Vernacular School, Sakleshpur is much too small for the attendance and is situated in a very low damp place As it is absolutely necessary to provide larger accommodation, after long correspondence with the Executive Engineer, the Deputy Commissioner and the Deputy Inspector I have come to the conclusion that it is better to erect a new building on a high and healthy site than to waste money on extending the present building which is justly condemned by all the above officers as well as by myself after inspection The subject of acquiring a suitable site for the new building has long been under correspondence and the

Deputy Commissioner in his docket No 123 of 21st July 1896 states that the only desirable site which is next to the Taluk Cutcherry measures 1450 square yards of which 450 square yards belong to a private individual and the rest to Government The Amildar thinks that the cost of acquiring the 450 square yards of private land will be Rs 225 I request that this amount may be sanctioned from the provision of Rs 10,000 for new and minor works made in the Provincial Funds Budget of the Education Department for the current official year, so that a good site may be secured once for all for the school. The new building may be created as funds can be spared in course of time. vide para 14 proceedings

I have the honour to be,
Sir,
Your most obedient servant,
H J Bhabha
Inspector-General.
